

CERTIFICATE

Mr. Franz Otte has successfully participated in the course:
„Professional Update of IGC approved Filser/LXN-Loggersystems“.
Therefore he is now entitled to carry out firmware updates of all
Filser/LXN logger systems.

Walter Dittel

Ćrtomir Rojnik

Remark:

Any abuse or cheating or attempt of cheating of or with the knowledge about logger systems or the software placed to your disposal will cause the loss of this certificate. Furthermore this will be reported to the FAI/IGC. The initiator will be made responsible for all after costs caused by his deed.
